

**SYRACUSE UNIVERSITY**  
**School of Information Studies**

**Site Supervisor Evaluation**  
for  
**Master of Science in Information Management Program**

Student Name: Satyen Sanjay Amonkar

Semester of Experiential Learning: Summer 2019

Organization Name: Arkadium

Site Supervisor Name: Audley Wilson

*To the Site Supervisor:*

*Please evaluate the student intern's performance by completing this form. Your comments, as well as your rating of the student's performance, would be most helpful in providing valuable feedback to the student intern. This evaluation also provides the Faculty Supervisor overseeing the internship, valuable information helpful in determining the student intern's grade for the experience. This evaluation can be reviewed with the student prior to your returning it to Kathy Benjamin ([kabenjam@syrr.edu](mailto:kabenjam@syrr.edu)) in the School of Information Studies. Evaluation forms can also be mailed by regular postal services or faxed to her (see information below).*

*In an effort to ensure that the learning objectives for the academic program in which the student is enrolled are on target, we would appreciate your feedback. Please evaluate, to the best of your ability, the students' competencies for these learning outcomes. This evaluation tool is also included.*

*We appreciate the time and consideration you have given our student intern.*

1. If you had a vacancy, would you recommend this student for consideration? If yes, for what type of position? If no, why not?

Yes, Data Science

2. Do you have any suggestions for improving the School of Information Studies Experiential Learning Program from your perspective?

Deeper knowledge of Statistics.

3. Would you like to have another School of Information Studies student intern? Y / N Y

4. Was the content of this evaluation discussed with the student? Y / N Y
